Look here a Link that Literally Proves beyond a Doubt this Woman can deduce their Involvement and their Reactionary behaviors before they Engage in them-

<http://learningdisabledwomanprovessa...>

See when we need to Conceal a Involvement in a Crime we do many things -In Organized Stalking--(Gang Stalking) Expeditions they Discredit targets-(Using Corrupt County Mental Health or their Syndacted Doctors in Neighborhood Hospitals) this is Done for Multiple Purposes-To eventually Contain based on the false Diagnoses and to make sure the Discrediting that is attached to the False diagnoses paint the Target as being Crazy -to discredit what the Target Knows-They use this Tactic to discredit the Thruth by Discrediting the Thruth Teller-Its all over the Internet these stalking Expeditions use what is known as the Psychiatric Reprisal Google Organized Stalking-Gang Stalking and Corrupt Mental Health-

Observe the Scanned Documents Closely then Cross Reference what is Itemized in them to the Following sections of the Video-and you will see the Plain Thruth Unravel Before Your Eyes LITERALLY -Notice the Dates- Now-this Audio was recorded on 2/23/2012 at the Eastern Division San Diego Police Department-Barney was the Supervising Detective Concerning the Assault on the MTS BUS on 10/10/2012 and the Fact MTS Sent her a
