4. Meaning that the perptrators of this Crime Intercept ReRoute Steal and Delay all ALL communication's of a Target, ELEXTRONIC and Pshycial, and Anything to do with that, that is connected to the Target including Social Service's and Social Security Documents Bank Documents and Legal Document's in order to Buy Time that is needed to continue the Expedition Towards them, Incrementally Implemented in order to Contain the Target and acheive other Criminal Motivation's that they have for the Target and to contain the Exposure of Past Recent and Future Criminality's that they have /will do to the Target-- Interception Rerouting Stealing Delaying Editing Deleting ETC.. the Communiations of a Target - is done, &" in part" includes Physical Communications when the Target attempts to visit a Law Firm, and or Lawyer that may be in a Building that has security at their Entrance, are their Used to claim the Target cannot even enter the Building without a Appointment, This Security firm are they Covertly Contacted as a result of the Perpetraors scrutnizing the Law Firms and Lawyers Target's Look up online at Public Library's , as well as their own Computer's and Cell phone's and ANY wheir the Target uses their own personal electronic Device's ANYWHEIR they use Public Business WIFI Internet, thru the Real Time AT ALL times tracking of the Target their able to deliberate the Targets , GPS and deduce if the Target is in the Area of the Lawyer's and or Law Firms they've looked up-
5. For Instance, this Law Firm was looked up by leslie at The Law Library on Front street, and The North University San Diego Public Library in 2014,, when she was down town due to goin to the Law Library she whould go to the 7/11 right acrosss the street from Mr Cortez's Office here is his link -she whould Buy Lunch at 7/11, and 97 % of the Time eat it in front of this Building within 50 feet of its entrance- How many people from the Inside of that Building and others propped up around her WERE Caught on Tape repeating " GangStalk GangStalking GangStalker Oh My God- ETC..ON TAPE, was That Building Sceurity ever Caught saying it- did this Same security tell her she cannot enter the Building at all without a Appointment-Google Securty Gaurds and FIRMS and GangStalking, Organized Stalking- So you May Think why dont leslie call Cortez's Office to nake a Appointment, CONSIDER The Perpetrators Will they Reroute the Call to them Pretending to be them and Claiming their not intrested pertaing to what leslie state's, whould they Copy teh Voice mail of this LawFirm to make leslie belive she can leave a Message and when she recives no reply the Goal is Acheived that a Appointment cannot be acheived- DO YOU belive form researching Phone and Email Intterception and rerouting taht is all obver the Intrenet to be connected to these crimes is not ALL OVER the Internet to be Methodolgies of these Crime's IF THEY WERENT, THINK DELIBERATE and deuce these FACTS and you will conclude TRUTH Everything within this paragraph you Just read can be Googled by KeyWording their Description's and cross referenced to the name of these crime's and You Tubed when Appropriate AND YOU WILL WITNESS TRUTH, the SAME EXACT IDENTICLE to a TEE Verbal Harrassment has Been Caught on OVER OVER 1200:00 Tape Recorded Audio files Spaning since at least 2011 "(San Diego's Involvement and

7. Like Consider when Leslie Called 911 on 8/15/16 StoneCreat WalMart Bus Stop Event- do we WONDER when we EXTENSIVELY Research 911 Dispatchers and then Police to GangStalking and Cell Phone Monitoring and Hacking to GangStalking Crimes, that when Leslie recieved a Recording once 911 was Connected, did that allow them time for the Crime to Continue until it stopped MAGICALLY right before the Bus Came- SDPD and MTS are Massively Exposed UNDENIABLY in this Blog, and their Connection to each other, that 928 Bus Stop and Route, and that WalMart was Masiively Exposed by leslie in 2011-2012, which Just Happens to be the Bus Route she was assaulted on on 10/10/11, THOSE Deatils, and Evidence are exposed below,and Bus route 41 she took from LaJolla to Fashion Valley has been exposed since at least 2012-and when Leslie has used it in LaJolla Ca, MTS are Absolutely Connected to the Criminal Realities leslie is experincing and has and it is IN YOUR Face exposed in this Blog, INDISPUTIBLY as well, A NETWORKING UP and Operating Crime syndacite WITHIN THE SYSTEM
