1. Leslie on Ground Zero on 9/17/13-Exposing ELF Wave Transmissions Used on GangStalking Victims, exposing how she is Harrassed in Part in San Diego and at her Hiking Area's and Exposing her Ex-Husbands Employment Description in the Navy and More, listen well and Cross Reference it to what was exposed all over the Nation in National News Broadcast's Local News Broadcasts and newspapers all over the Country, THE VERY NEXT DAY, Does anyone HONESTLY believe their not still Targeting leslie -and they absolutely will soon start targeting her Finances

Only one Target in the Country did this Leslie Williams , Cross reference the Dates Leslie Testimony came FIRST

3. On 8/26/16 They staged Huge event in side of Ralph's Grocery store using a Staged FALSIFIED Complaint using the cashier in the UScan Check out, whom accused leslie of Burping in her face" Making thjs the Secoound time this Woman Has Intentionally falsley accused her of doin this- so Consider In Organized Stalking GangStalking expedition's what they do in part is first mentally associate the targteing of the target to the person's and or places used for the Crimminal expedition's of this crime the mental associations are created and ReInforced thru" But Not limited to
4. " sensitization technique's of this crime-Repeating Words and Phrarses and or Psyhsical gestures which 99 % of the Time are IDENTICLE to a Tee
5. Which Leslie discussed OUT IN THE OPEN on this 9/17/13 National Radio Show Ground Zero With Clyde Lewis " That Link above " and then Observe in a EXTREMELY Small Way who has been Caught Before and AFTER the Show- Now does leslie Have on Tape this Same Ralphs Cashier Woman and then The Manager that Harrassed her concerning the event on 8/26/16 AND MUCH MORE SAYING these Words and Phrarses in Ralphs, Remember they First INTENTIONALLY Associate persons they use in teh Harrassment to teh Eventual Statged events towards the Target that then Produce effects and even Circumstances from the Statged event All the While the Sick Crimminal Maggots that Hosted it and who they used get to walk while the Target lives in and experinces ALL of the Effects of the Event THE MOTIVE for it

6. Now Part Of the Motive of the Minscuile amount of Ewvidence exposed within this Blog Clearly exposes that whomever is Hostng all of this Harrassment around leslie concerning leslie is the Same Responsible Partie BECAUSE the Harrassment is IDENTICLE to a Tee Everywheir its caught and Experinced, so keeping that in Mind and KNOW its ABSOLUTELY been caught being said at the North University San Diego Public Library as wel, solets look at this as well Statged coplants by Places and persons who have /are participating in this also Use the same Statged Falsified Complaints " Burping "
7. Whom has used this SDSU The North University San Diego Public Library and Ralphs- and Similar Types of Complaints related to leslie clearling her throught at UCSd to stage a Altercation, they also statged a assault by propping up a Person at teh Bus Stop on 8/17/11 to Physically assault her " Him Claiming he did it because she spit and Cleared her Throat " Which Leslie did as she was in her own Sepearte physical Space by herself eating a Ice Cream, see tey know they have NO excuse WHTASOEVER to assault or harrass lesllie " So they LITERALLY LITERALLY stage and use these absolutely insane reasons for doin what their doin.

0. Research THOURGHLY this Technique at Google and You Tube Cross referenced to the Name of this crime- this is done so after the mental Association is created and reinforced the same place's and persons associated to these enviroments and even person's that have been used atthese places from other places can be propped up for statged events within these places who canb be used as participants in the current event, and or witnesses to it or bystanders who will Gaslight the target around teh target an=s the event is unfolding," THIS is done to make the Target feel mentally raped concerning teh mental duress taht is produced during and after the event becuae they know the target know's the thruth about whats being done and who's being used for the event and who is seen and heard as the event is transpiring - thsi is done literally for Psychological Violence and effect''s-its done to create episodic memories that are attached to abuse and victimization, thru association weven to intentionally produce a outcome that is detremental to a Target ...ie.. being assaulted arrested banned falsified police and or security reports about the traget because of the statged event, part of the motive for the event, statged events based on Statged Complaints accusation's Thefts and or damage to Targets property which is done to mentally provoke a Target to act out so that can be used to bring about falifiied arres'st tickets towards the target and or to bann them, are also done to to the Target- the accusation that was done more than once , itwas done to put leslie on the defensive verbally, and mentally- so that then the casheir can complain to managment that then plays their Verbal Physical role in the event by approaching her and complaining to her by stating that your harrassing my employye's and that if it doesnt stop " we have the right to refuse you service", which is a Intenmtional INTENTIONAL Mental rape of the Truth- which is also done to intentionally provoke leslie into verabally sticking up for herself, Fellow Americans THESE are INTENTIONAL STAGED Events and HOW THEIR PLAYED Out- so FELLOW Americans Right here is who has been noticed and CAUFHT on tape at Ralphs in the GangStalking verabal harrassment of leslie IN and outside of Ralphs-
1. Cashiers Bagger's Deli Department Personal Meat and Dairy Department Personal, the Employee's that work in the Department that serves Jewish customers Managment ABSOLUTELY and persons coming in acting as customers including at the area that people come in to eat at and or use the Internet at.
2. Make No Mistake about it ever Leslie will use Ralphs against Ralphs to legally entrap the Police " SDPD Included" and the Secuirty of Ralphs and the Security of that Buisness Complex,Observe leslie exposing Two Ralphs Locations SAME Harrassment SDPD protection of them,NEVER, EVER UNDERESTIMATE Leslie resolve in using them to Expose ALL OF THEM and their Covert Connections to each other and their lies concerning it, Filthy lying Crimminal Maggots will lie about their Conspirarcy to Harrass and call the Target Crazy and or a threat to themselves or others, by Claiming " We have the Right to refuse servicee to anyone" the staged events are done for at least two motives to " file falsified documentation about the target and the Event and " to bann the Target" WHY to take away WiFi Services the targets using TO EXPOSE them and that their using to expose current, past and FUTURE crimes that have/ are happening to them NO MATTER wheir their occurring at towards leslie- this is a Syndacite a Organized Crime sysndacite that is IS perpetrating the Entire crime against leslie, Organized Crime in the system

- .3. Witness the attached Gmail PDF Links within the Blog your in Now and this enclosed evidence CLEARLLY exposing Ralphs Criminal Lying ass's , at two location's Friars and Frazze Rd Mission Center Location in 2012 and the L.ocation in LaJolla on LaJolla Villiage Sq dr-
- .4. Whom the San Diego Northern Division was Contacted about just this past July 2016 thru Email" They never responded-and never WILL And know this if Leslie has to call SDPD on Ralphs the event will propp up witnesss's to blame leslie before they arrive to make it appear on Leslie's recording devices Ralphs Video cameras and SDPD recording devices that Leslie was the Problem- it's how Ralphs and the Police Legally " APPEARLY" Defends themselves- WELCOME TO GANGSTALKING SYNCHRONIZED STAGED Events- Called Street Theater's meaning that EVERYONE Plays a Role AGAINST the Target " INCLUDING the Police that arrive NO MATTER WHO Calls them" Street meaning OUT in teh Public THEATER meaning that the event is Scripted before hand and Played Out

THis Occurred at the Ralphs Location off of Friars and Fgrazze Rd in 2012 Leslie called SDPD Listen to how they could care less that leslie called them on the Ralphs employess and Loisten to how leslie tell them that the Employoyess are engaged in GangSralking and eveng repeating the Name of the Crime around her- Then look at its publish date- KNow look at teh Video of leslie catching this Technique at Ralphs in LaJolla - and as its Unfolding She aks thenm the Address to prove it is occurring at this Location- Which IN TURNS Leslie was telling the Truth concerning it occurring at the Friars Location WELCOME to the WHOREDOM of SDPD whom ABSOLUTRELY protects the Perprtraters and at least at least assits them thru not investigating them, leaving the Target in the Victimization of this crimminal Expedition

Pay Attention Closley In a QUIET Enviroment- Look at how shes being Harrassed wheir its occurring at and the Dates- WELCOME to truth- these Two Locations are at least 16 Miles apart MONTHS apart

leslie Clearly stating Ralphs Employoyes are engaging in GangSralking and repeating the Name of the Crime happening to her- " This is done to MOck the Target Harrass The Target and To enduce extreme Mental Duress because its Most the Time Constantly repeated- and then the Ones used for this Harrassment are then used for statged events that produce detremental effects towards the Target
