To: Leslie Williams <exposingcourt@gmail.com>

SubVocal Speech patterns and Brain Entrained Stimulated Forced Induced Speech, Stimulated thru Remote Neural Monitoring in a Seperate Event when Questions are applied towards a Target Like in a Court Hearing a Doctors Interview
These articles do illustrate these Capabilities Mentioned above

<http://www.rense.com/political/weapons/nsa.html>

So what is being stated here

on the 9/17/13 Ground Zero Show with Clyde Lewis it is self evident that this was even Exposed "

A veteran whos being used clearly stating he is speaking Forighn Languages hes never Learned or Knows-

This is acheived thru RNM Induced Forced Speech Programs wheir the Languauge area of the Brain is targeted, and straem Lined Launage is Inputed into the Language area of the Brain and Forced speech is Used to Maniluplate the Laroux to force the Speech thru the Vocal Chords, implants in the Jaw's are also strongly Implicated in Assisting this- you can Invesitgate online Forced Speech Induced Speech Remote Neural Monitoring, Chatter Box's,Audio Cortex Implants to Induce Ideas in the Targets Mind concernig how tp respond during a Pshyically Intimidating Event " Using the Targets Voice print to Clone their Voice and then Transmit How to react in the Audio Cortex as the Event is Transpiring- "John hall calls this Artificial Thoughts and Sublimmminal Programing YOU TUBE HIM"
After Investigating thie Above descriptions thourghly Review this Agin

BRAIN ENTRAINED RESPONSES

s this Right here being exposed because of the ABSOLUTE Propped up Physical Street theater they propped up to her today at a Bus Stop,8/15/16 were she was Openenly harrassed and Psyhically Intimidated for over 40 Minutes , and when leslie called 911 twice she was "GEEZE" not able to get thru until within a Minute of her Bus Coming (This Blog exposes SDPD to MTS, UNDENIABLY)- the 10/10/11 MTS Assaul- the Altered MTS Assault Video and the SDPD Falsified Police Report Concerning the Assault and the Fact THE FACT SDPD Magically Didnt appear Until teh Assaliant was allowed to leave the Area") that is a QUESTION for you see to Crimminal Patern's ,A Individual Appeared in a White Car as leslie was Unlocking her bike at Stonecrest WalMart and REPEATEDLY asked her if she seen his Watch he Lost she first Ignored him BECAUSE she is ABSOLUTELY Compltely aware these Filthy Maggots propp up Physical Interactions with the Target of this Crime using complete strangers for it- She after ignoring him Finally said No Please leave me alone, he kept asking her then Followed her to the 928 Bus Stop between Frys Electronics and WalMart (" He got out of his Car approached her and asked her again 30 Times, she repeatedly told Him No,

BRAIN ENTRAINED REsponses to later be stimulated in front of a Judge Doctor Prosecutor Police Officer HOW whould they use their Jobs to justify the Reponses to these Brain Entrained Stimulated Speech Patterns, and we then can see USING a Target Against themeselves, witness the Filthy Whoredom of SDPD, and Other Police Departments SDPD Youi repeatedly are warned yet your Criminal Ass's are blind to how your being used

(((((Please leave me Alone your problems are your problems they have nothing to do with me"))) THINK WHY whould a Person ask the Same thing Over OVER 30 Times, While Standing in front of the Target including periodically Appraoching the Target Physically as its transpiring").So REsearch this Email

and Research whats exposed and think is this Part of the reason for this event REMEMBER what leslie experinced thru this event is not NORMAL Behavior))))))

REMOTE NEURAL MONITORING (Satellite Harassment/Terrorism) Reality and Awareness!

Now whould this be done by the desribed individuals to petirtion teh State to take Legall Apearing Probate control by claiming the Person is Mentally Ill Combant not mentally able to cooperate or Understand qustions presented to them and as a Result of this While Presenting the Target cannot take of tehmsel;ves as a Result of being Homeless (Even though they Made the Target homeless while also portraying the Traget as a Threat to themselves or Others Achived thru falsified police Reports thru staged events ASAAULTs\s and possible prior Falsified Doctors Reports WELCOME to GangStalking Schmemes for Racketerring Insurance Fraud and HUMAN TRAFFICKING inside of Syndacyed run Group Homes they entrap a Target in thru GangStalking Foundational Crimes Implmentmed Incrementally Over time USING the System for it WHILE their Getting paid by the Tax Payer using their Employment description for it- woman are also REPEADEDLY RAPED INCLUDING GANGRAPE inside these homes their Trapped in and the Rapes are Video Taped and Sold, hello SDPD and the Dearborn Mi Police WELCOME to the Filthy Whoredom of SDPD UCSD Police , 911 Dispatch officer's ,SDSU Police SDSU Police and USD Police EXPOSED Paybanck Mother Fuckers

Welcome to a GangStalking Crime- it is strongly suspected that the Homeless people that are puling out Knives on People and Cops is being Done for Life Insurance fraud and Illegal Probate Control for Racketerring

Using Emg Implants Prosethetic Implants Remote Neral Monitoring, Voice Cloning Basically Confronting the Victim and Controlling how they respond in the Situatiin to use them against themselves, using this Techknology on the Victim from a Distnce while portraying the Victim as the Agessor and or Mentally Ill- Payback Mother Fuckers for the Desctruction of Innocent lives and the Explotation of them, Research hpow EMG Implants and Prosethics implants are used to Control the Musclulatory Sytems and the Arms and Hands of a Target while The Audio cortex is used to Induce and Control their Mental Actions, Brain to Computer Interface BCI Implants- welcome to truth For this is teh ABSOLUTE Truth, when will SDPD learn they were given every chance to settle in Couirt with leslie and choose to continue their Criminality THEY CHOOSE TO Remember this

Police Execute Homeless Man For Camping
