Now we can easily "Even just using Common Sense deliberation's) that the only way they can know where she is at in order to Prop up the SAME EXACT IDENTICAL Verbal Harassment around her (INTENTIONALLY BROUGHT about to let her know it's Occurring) is thru Covert Surveillance and tracking of her EVERYDAY EVERYWHERE she goes (the Stalking of GangStalking), Leslie has over 1000 Audio File's and she also has Video Files INDISPUTIBLY Catching this Around her EVERY DAY EVERYWHERE ,she Goes, At times it Occurring Non Stop, happening in the Same EXACT IDENTICAL way, So for at least the past 3 Years leslie has been INTENTIONALLY physically Tied up in the Psychical Moving,HAVING TO MOVE & RE'MOVE To Multiple Property's and moving from spot to spot on same Property's,in order to at least Better conceal Herself on these properties, she has /IS using to at least rest at-so she is Not Physically Discovered , and to avoid Arrests and Physical Assaults Which they have done Shes been Psychically Assaulted at her Resting area's once thru a Statged event and Once right by the same area and Experienced and experience's DNLN Techniques that they would occur and will , Both of those Assaults were predicted before they Occurred One was predicted on Video and UpLoaded to you the assault occurred tow days later at the very spot the Video prediction was made at the other assault occurred right across the street from where that assault occurred at, (this Criminal Expedition INTENTIONALLY Made her Homeless- which is a Method they do to targets which is ALL over the Internet and can be researched as it being so) , now what's the purpose of this being exposed- Organized Stalking is a Campaign that mostly use's AT LEAST Overt Method's pertaining to the Harassment, but this campaign also ABSOLUTELY uses employment descriptions to bring about effects and resulting Circumstance's towards the Target so the Effects can be Manipulated on either immediately or in the near future while other things that are being implemented that are to work with in conjunction with the employment description's that use their employment descriptions to bring about Effect's and Circumstance's-(THINK- FINANCE" S and Benefits the Target receives thru the system, that they receive that assist's them is sustaining themselves,so what's being detailed here- is a Target is setup to Intentionally creatively made to Move and ReMove (which means the Target has to find a Place to move to Take property with them Prepare the area concerning the Landscape at the Spot they pick Prepare the area they pick for their Property to be hidden and got to when Needed how attention and time is needed to Conceal all property, and themselves when their at their resting area's and then Having to relocate at least 8 times since December 1'st 2015 not including how some of these 8 locations were ReUsed) you cant imagine the Psychical exhaustion experienced Just because of this Alone then their the Constant evryday running for water, food Staying out of the Rain and Floods from them, the days lost due to Migrains and Stomach Aches from the Street from these campaigns she endures DAILY at these areas (Noise Campaign's leslie is also enduring at them as well)- So what's being stated if a Target is INTENTIONALLY tied up in the almost constant busyness of moving and ReMoving and In the Midst of it these other Physical things demand attention in the Midst of them and throughout them the Target is being Physically PreOccupied INTENTIONALLY distracted from, taking care of and or being attentive to, their or at least some of their Business matters- But also know the target is also experiencing Mail Theft and Mail Delayment of Business Items

The Goal is Loss of Benefits at least Temporarily and to tie the Target up PHYSICALLY to regain them- the dates and Time it takes within Regaining them Their is alot involved in ReGaining your Benefits, now this is Done to tie the Target up in this as a result their Mentally Distracted in this and Physically Distracted in this When the Target should be Free time wise and Psychically in preparing and Going to Law Firms Lawyers and other Places the target can be goin to go after these maggots and the Court Cases and proceeding that are involved in this- Tie the Target up in the Busyness of them Preventing target from Recovering from what they have been put in to while Implementing current Obstacles that are then Continually Exploited to assist them in the Creation of Circumstances that BRING the Target closer to the Exploitation because of the Effects and Circumstances That current things their doin are bring about the motive behind it while its designed to make it appear that what is occurring is because the Victim was attentive to their Business correspondants,So leslie is Goin to use this a Opportunity to target them The Department Of Education was Notified at least, AT LEAST 8 times in the Past 11 Years from at least 3 States as she has Been Goin thru this they were sent MASSIVE indisputable Evidence she was and is a Victim of this Crime and they were TOLD EVERYTIME the School Loans were CoHersed for her to take out by the Filthy sick maggots that infiltrated her life in Michigan They coheresed her into take out these loans TO BENEFIT from it so the Time is coming to bait these animals OUT INTO the Open- Welcome soon to the Exposure of SDPD UCSD Police events that will occur soon not far from UCSD Property Tweet's on Twitter and Twitter Videos will predict it as well as as for Social services- PS let's see if Leslie is Arrested ticketed assaulted raped forced to move Robbed Before December 30 2016- Her Current School Loan Forebearance is up on November 2016 Preparations to ReApply have to be done in October Welcome to preparation by them being implemented now that are preventing her from suing them Before October 1'st, to entrap her in payments and Agreements for same then the Benefits Social security and Social Services will be taken away thru statged events using the Local Courts and Police Prosecutors for it for it, entrapping her Signed agreements with the Department of education before this Occurs to Legally tie up up to them Do YOU SEE NOW how its done

When You We Witeness tme Above Manifesto InCorporated within this Email you clearly witness Judges as Part of the Syndacite Whom leslie is Preperaing to Entrap Legally, their Making a Mistake to not understand Leslie is targeting them, so fellow Americans review the Twitter link above made In August 2015 Showing leslie discusiing thuis whould be done.

Side Bar Notation Everyone shold Investigate the San Diego Fire Departments involmnet in these crimes because in Leslies eyes No one invloved in them Escapes her exposure of them being involved and implicated as same, so buckle your seats and understand this Sysndacite operates to entrap you in Debt and Circumastances to exploit both to expoloit the Target

They Intentionally Tie a Target up in the Businessness of ANYTHING is a Factual Method of GangStalking Crimes OBSERVE, This is the Manifesto of a Manager of GangStalking Crew's- this does not BY ANY MEANS encompass the Totality of these Crimes But what's described is Factual

Leslie Just Received on 8/12/16 Items in the Mail she has Lost her Cal Care Insurance and them Paying her Social Security Medicare Premiums

So its Being Predicted these Benefits Will Either Remain Taken away

And or that they will demand to prove were she is living at (Dont think the police and Courts cannot Thru Subpena's Social Services records) Using Leslie against Leslie This will be explained later

and or that the Cal Care Premiums Lost will never be reimbursed

Also If she is Banned assaulted accused of Anything on all travel routes and or at Social services in getting these benefits back it will ABSOLUTELY be stated because of her Being Factually GangStalked along her routes and at Social Services Ruffin Rd- their is a Video in this Blog showing it being caught at Social Services and Hiking areas and its been caught at Two separate Post Office's in San Diego, including her current one, now was this also done to affect her ability to find a Lawyer in time to sue the Department of Education Before October 2016 ABSOLUTELY ABSOLUTELY, they then make decisions that they force Leslie to agree to then Layter all of her benefits are affected by and thru these crimes and she is then Trapped in the Agreement Ever Hear of Debt Bondage in Human Trafficking Are we now seeing how GangStalking Crimes Operate thru Plausible Deniability Covert Participating Relationships, Normal Appearing Excuses Reasons or Mishaps and Covertly Managed techniques that cause the Target to be able to be attentive to getting out of what their currently in and what obstacles are propped up and then Exploited and how their cleverly implemented and taken advantage of remember these Criminal maggots are within the system meaning they know how to use it to assist in bring about the Motivations, Exploitation

Organized Stalking GangStalking is Organized Crime Syndicates within the System at the Federal State County City Level's working as a Networking syndicate using their Employment description to achieve their Objectives- ABSOLUTELY Including Alpha Bet Agencies's, ABSOLUTELY, Ya Know it has been Noticed in Remote Neural Monitoring Files That are online including Lawsuits that expose it that Social Service's Working can have Quasi Employment description's Meaning that they have At least two Employment Description's NSA and a Social Service's Worker, Just like the Filthy Maggot Police Officer's that are connected to this Crime can Have Quasi Positions Like being a Police Officer and a Member of FBI InfraGuard,
