SDPD UCSD SDSA WhistleBlower Banned from Criminal Ralphs Grocery Store, LaJolla Villiage Sq Dr on 8/31/16 within 20 Minutes of arrival their, BEFORE ARRIVING THEIR Leslie Verbally Stated on her RECORDING Tape Recorder (that Records BY DATE and TIME) that they Whould do this, How and the Excuses used for it LITERALLY LITERALLY Ralphs and Leslie called SDPD They never arrived, before leslie left pertaining to Ralphs calling them, and when Leslie called them she first got rerouted to a Dispatrch that she doesnt know if she was connected to SDPD Dispatch?

(As this was Occurring the Volume on leslie phone was Turned down, prohibiting leslie from hearing what the person was saying that answered the first and secound 911 Call Leslie made at Ralphs (google that Technique to Gand Stalking Computers Phone Tablet's) it was'nt done " BY LESLIE" and Parking Lot pavement cleaning Machines kept going by her as she was trying to hear who first answered the first call to 911 as this was unfolding- and when she called them a Secound time as she was explaining to whomever answered the Phone she needed the Police at Ralphs she requested SDPD and she was then CUT Off the 911 call WAS DISCONNECTED) before leslie left she waited at least 35 Minutes, in the Parking lot, SDPD never showed, WHY

Did they Not arrive because they Knew leslie was goin to Legally entrapp SDPD for their AT LEAST Gross Neglgence of Duty for not investigating Ralphs) On Prior dates, and Location's and the Current Event (S) "See the Gmail PDF Link that was Sent and Pasted into this Blog within the Last week 7 Days before this 8/31/16 event Clearly Showing that is was Leslies Goal to Use Ralphs to legally Entrapp SDPD, NOW this Blog INDISPUTIBLY Exposes Ralphs on Audio and Video and SDPD's Connection to a separte Ralphs location leslie had to call SDPD on they know leslie records Video and Audio of all Physical Interactions with Law Enforcement so who's aware of whats exposed in this Blog, (and Their Lying Maggot ass's will lie about at and on any venue and call leslie crazy concerning it) meaning that whoever it is Knows Leslie was Baiting the Trapp ,SDPD have no defence concerning the Past and recent and current Evidence Concerning Ralphs and OTHER CRimes that have /are Happening to Leslie- SDPD's way of keeping themselves Psyhsically Disconnected from the event so their never legally Culpable to at LEAST MIsconduct concerning Ralphs Criminal behaviors, And Think, Disconnecting leslie from the 911 Call was done covertly meaning leslie can never prove who did it-while they walk away with the benifit's of it and the event-also know lets say thru the tracking of leslie they propp up police to be at and or arrive at places leslie goe's to leslie approach's them and says, look I have hundreds of Audio files of identicle harrasment occurring around me everyday including Ralphs -(they record the conversation AUDIO and Video) they then wait and come at leslie either directly by themselves or thru a Staged event wheir another person calls them even leslie at a resting area leslie uses they arrest leslie for being on the property steal the evidence and claim she never had it then use the recording to claim Miss williams claims people are repeating harasment around her that is identicle it being done by different people and place we believe she is Mentally Ill METHOD of GangStalking that's all over the Internet,So witness this and Know TRUTH,.look at the Dates Look at Whats exposed and SEE TRUTH, leslie was targeteing 3 this Time Ralphs
